Houston, TX, June 26, 2006 - FORTUNE Small Business announced today that Mexican Restaurants, Inc. (NASDAQ:CASA), has been included on the sixth annual FSB 100 list of the fastest-growing small companies in America. The list, which is comprised of public companies, appears in the July/August issue of FORTUNE Small Business and is available at FSB.com. Mexican Restaurants, Inc. was listed as 99th on the FORTUNE Small Business 100.

"We are honored to be recognized on a national stage as one of America's leading small companies with the FSB 100 listing," said Curt Glowacki, President and Chief Executive Officer of Mexican Restaurants, Inc. "Three years ago, our leadership team implemented a turnaround plan that has produced unprecedented growth for our company. California tops the list of the states with the most companies on the FORTUNE Small Business 100 with 18 companies, followed by Texas with 12, New York with eight and New Jersey with seven.

To compile the sixth annual list, FORTUNE Small Business asked financial research firm Zacks to rank public companies with revenues less than \$200 million and a stock price of more than \$1, based on their percentage growth in earnings, revenue, and stock performance over the past three years. Banks and real estate firms were excluded.
